St. Bernadette School Kicks off UMDF Collection!

St. Bernadette School kicked off their UMDF collection with a presentation by Chuck Mohan. Chuck met with the students after a mass to educate them about this disease and the charity's mission. Chuck's daughter, Gina, attended St. Bernadette's school in the late 80's early 90's. She died at the age of 15 from a Mitochondrial Disease. It has been Chuck and his wife Adrian's, life's work since then to fund research and assist families dealing with this disease.

St. Bernadette School, in Gina's honor, every year collects in every classroom with "Gina Jugs!" The money collected assists Chuck and Adrian's National UMDF charity with this research and mission.

Please consider assisting us with this collection!

St. Bernadette School Schedules Parent Conferences for 2nd Quarter

The St. Bernadette School students have made it half-way through the 2014-2015 school year! We just scheduled our second quarter parent conferences for teachers and parents to discuss individual classroom performances of the students!

The students in grades 4th through 8th must attend the conferences with their parents. This helps the teachers and parents communicate better about the student's progress!

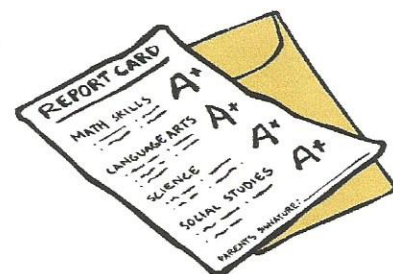

The school year is passing much too quickly!

It is a time when parents and Teachers truly collaborate on how best to assist the students with their education!

This role is truly a combined effort at St. Bernadette's as the parents are truly their child's first teacher!

All students and parents must meet for this conference. The conferences in March are optional so teachers can focus on those students that need the extra assistance.

The last conferences are on Friday, March 27th!

St. Bernadette School Celebrates Teachers!

St. Bernadette School ended Catholic Schools week with a Teacher Appreciation luncheon! The PTG sponsors this wonderful luncheon every year as a way to say Thank You to our teachers!

The meal was wonderful and the hospitality was extraordinary! All of the teachers had a great day and a wonderful time at the luncheon!

Our PTG is to be thanked for putting together such a great day! (It started with a 2 hr. delay!)

The faculty was very excited that Sr. Frances Hurley could come back and join us for this day! It just made it that much more special for all of us!

Thank you again to our wonderful PTG!
