St. Bernadette 7th-8th Grade Performs Alice In Wonderland, Jr.!

The St. Bernadette 7th and 8th grade Drama Club showcased their talents this year with the musical adaptation of Alice In Wonderland, Jr. !

Ms. Werkins, 7th grade teacher, directed the performance, March 8th for the students and the parents! There were three performances. Two performances for the school children and one evening show for the SBS parents and families.

The ever-curious Alice's journey begins innocently enough as she chases the White Rabbit. Her adventures become increasingly more strange as she races the Dodo Bird, gets tied up with Tweedle Dee and Tweedle Dum, raps with a bubble-blowing Caterpillar and beats the Queen of Hearts at her own game!

The show was perfectly cast, the musical talent was amazing, and was beautifully on display for all to see and hear!

I can't wait for next year to see what show is chosen!

Congratulations to Ms. Werkins and her Drama Club on another great performance!

Second Graders Celebrate First Reconciliation!

St. Bernadette School second graders made their First Reconciliation on Saturday, March 12th in St. Bernadette church with Fr. Tony Gargotta presiding. The children, along with their families experienced Jesus forgiveness in the sacrament of Reconciliation.

They came together again on Sunday, March 13th as a First Communion community to share and break bread as families with each other in the spirit of First Communion. Each family brought a special bread to share with everyone. Each family also designed a ceramic plate to be fired and given back to the child at First Communion practice for their special day!

Our First Communion Class will be making their Holy Communion in April! They are very excited and cannot wait for their special day!

St. Patrick's Day at St. Bernadette School!

St. Bernadette School celebrated St. Patrick's Day quietly with decorations, artwork, and music!

The children wore green and fun hats or beads that showcased their Irish heritage.

Since everyone is Irish on St. Patrick's Day—the school-wide color of green was very noticeable as I entered classrooms all day long! The classrooms worked with their partner classes as they made symbols for the Trinity on Shamrocks and leprechauns.

St. Joseph Day at St. Bernadette Means Kite Flying and Bubbles

St. Bernadette School honors St. Joseph on March 20th, with school-wide Kite Flying during lunch periods!

St. Bernadette School has chosen over the years to honor St. Joseph by holding a Kite Day at lunchtime for all of the grades! The weather cooperated nicely this year with a sunny and sort of windy day!

In case of a "not so windy day" we added bubbles this year for all the children to use during their recess time. It was a big hit! I think I saw more bubble blowing than Kite flying actually!

Of course, the day would not be complete without a few kites fed to the "Kite Eating Tree!"

The children tried, with some of their parents who came to help them, to run and try to let the gusts of wind grab their kites and raise them high into the sky!

We did have successful flights as fun, laughter and plenty of bubbles was the highlight of the day!

St. Bernadette School PTG Hosted a Father-Daughter Dance March 18th!

The St. Bernadette PTG hosted it's annual Father-Daughter dance on March 18, 2017!
The theme this year is "In the Glow of the Night!"

The festivities were held in the Lourdes Center Dining Hall from 6:00 pm to 8:30 pm with dinner and dancing. The dinner menu was spaghetti and meatballs! Everyone said it was delicious and complimented the PTG staff for the wonderful evening!

Every daughter received a keepsake bracelet to remember the evening.

The event is looked forward to yearly by both Fathers and daughters alike! It is a great evening with dinner, dancing, laughing and an all around great time as Dads and Daughters enjoy the evening together!

For our 8th grade girls, it is their last Father/Daughter dance of their elementary school career and it holds a special place in the hearts as they get ready to move from St. Bernadette to their new high school environment!

The evening was a hit with both daughters and dads as they celebrated their evening and had a great time together!
