The Seventh Graders Go to Linsly Environmental

St. Bernadette School every year sends our seventh graders to Linsly Outdoor Center! This year our 7th graders attended Linsly on May 12th. The day was overcast but not rainy.

It was a day filled with team events that showcased their ability to work together to achieve a common goal! There was an obstacle course, a climbing wall, a zip line and other challenging tasks for teams to complete.

The students love the challenges and learn lifetime lessons on cooperation and assisting others in their success all for the good of the team!

St. Bernadette Seventh and Eighth Graders to PNC Park

The seventh and eighth grade students visited PNC Park for their end of the year field trip. They watched the Pirates play the Washington Nationals. It was a beautiful day at the ball park! It appears we brought the Pirates good luck! The Pirates beat the Nats 10-4!

The days at St. Bernadette's are coming to a close very soon for our eighth graders and they look forward to a last few remaining fun days until their graduation! This PNC Park trip is always a fun day for the students as they spend the day with their friends and enjoy a bit of freedom from school as well!

The SBS Class of 2017 and 2018 enjoyed their day at the ballpark even more with a Buccos win!

It was a beautiful day all around!

St. Bernadette Annual Spring Field Day

St. Bernadette School holds a Field Day twice a year. The first field day is in September right after school begins. It is a way to have a fun start to the school year while participating in sporting events!

Our second Field Day occurs in the Spring as a way of celebrating the near close to the school year.

This year's Spring field day was held on May 23rd! The weather was perfect, sunny with mild temps!

The eighth graders ran the events for the day and designed the games they operated for the rest of the school!

Each student was placed on a team with a chosen color T-shirt to represent their team! It was a rainbow of colors on the campus lot!

As the day commenced, the parking lot was transformed into a sea of colors as each team moved from station to station.

The eighth graders did a great job of running the games they designed and everyone had a great day!

Many thanks to the SBS Class of 2017!

St. Bernadette School 8th Graders Visit Seven Springs!

Our 8th graders visited Seven Springs for their final field trip of the school year! The class goes to the outdoor center and begins their day long activities. They climb the obstacle course and ride down the inner tube slide. It was a great day and the class really enjoyed this as their final St. Bernadette School trip!

The class will be graduating Friday, June 2, 2017 at the 1:00 pm liturgy! They will then have a short reception following in the Lourdes Center dining hall! In the evening, the Class of 2017 and their parents will have a graduation celebratory dinner at Edgewood Country Club. The class is ready to say good-bye to St. Bernadette and begin their journey through the high schools of their choice!

St. Bernadette's Golden Apple Award Winner!

The St. Bernadette School is very proud to announce one of our teachers was nominated for and won the Pittsburgh Diocesan Golden Apple Award for Excellence in Teaching!

Congratulations to Mrs. Lisa Rettig. Lisa Rettig, a fifth grade teacher, has been at St. Bernadette School for over 25 years! She goes above and beyond in the classroom and is also the coordinator for our Student Assistance Program. (SAP)

A dinner was held at St. Paul Seminary on May 30th for all of the Pittsburgh Diocesan Golden Apple Award Winners and their invited guests!

It was a very special night for a very special educator!

Congratulations, Mrs. Lisa Rettig!
