Fall Field Day Fun For All in Gr. 1-8

Sept. 29th turned into a good day at St. Bernadette School for our fall field day! The cloudy skies cleared in time for our afternoon Field Day!

The 8th graders ran the events with the rest of the school participating! The day was beautiful!

Each grade was a team and they moved around the lower lot completing the challenges that 8th graders created!

The school also organizes a Spring Field Day that Mrs. Gogniat, our Physical Education teacher, plans and the 8th graders carry out! The excitement from Fall Field Day made for a great afternoon!

It was a fun day at St. Bernadette and the children anxiously await the Spring field day!

SBS Iowa Testing Earlier This School Year!

St. Bernadette School started off the school year with 2 full weeks of Iowa Assessment Testing. The Pittsburgh Diocese has partnered with Iowa Assessment to provide our measurements of student achievement for the next several years.

The testing window began September 11th and continued through the following week!

Teachers and Parents will be receiving results in about 6-8 weeks after the testing ended.

Notices will be sent home with an explanation of your child's results.
