My school day is spent in room 311, where I am the 7th/8th grade science teacher and 8th grade Religion teacher at Saint Bernadette Catholic School in Monroeville, PA. I earned a B.S. in Elementary Education from Carlow University, an M.Ed. in Curriculum & Instruction with a Middle Level Focus from Edinboro University, and I am Pennsylvania State certified to teach elementary school as well as middle school science.

This year I am continuing to use Edmodo in the classroom to help link my students and me through technology. Each student will have a login, and once the student signs up, parents will be given the opportunity to get their own login from their child's login. Schoolnotes will continue to be used weekly, but I will be focusing on posting more detailed information on the Edmodo site.

Please see the next page for important links, and feel free to contact me at the above email or phone number with any questions.

if we will only tune in.”**
