I have been teaching at St. Bernadette School since August 2003. My educational background includes a Bachelor of Arts from Indiana University of PA and a Master of Arts in Teaching from Chatham University. I am a member of St. John Fisher parish. I love to read, greatly enjoy music, and am a huge baseball fan. *Let's go, Bucs!* For about 10 years, I have been the school moderator for the English Festival competition for 5th & 6th grade students.

I teach Language Arts and Social Studies to all 6th graders as well as Religion to the students in my homeroom. During the 6th grade year, students will read novels and selections in the *Triumphs* reading anthology, build vocabulary skills, practice public speaking skills, explore various ancient and current cultures, draw maps, develop writing skills using Criterion (an online program), and much, much more
