About Me:

The 2015/16 school year will mark the start of my 8th year teaching. I have been teaching at St. Bernadette School for the last 3 years and previously taught at Good Shepherd in Braddock for 4 years. I am the 6th grade Math, Science, English and homeroom Religion teacher.

I earned my B.S. in Elementary Education from The University of Pittsburgh at Johnstown. P-I-T-T Let's Go Pitt! I also have a Master's degree in Special Education from Waynesburg University.

This past year I started using *Remind*, a safe and easy communication tool for parents, students, and teachers! This allows me to send important reminders via text message or email (if you wish to receive them). I never see students' phone numbers, and students never see mine. This is a one-way system that allows me to "remind" my students of upcoming tests, assignment due dates, papers that are to be returned to the office, or even dress down days! You can learn more at: www.remind.com/learn-more
