

Mrs. Scarpino

First Grade

I graduated from Duquesne University in 2000 with a degree in Elementary Education. I immediately began teaching and since then have taught Kindergarten, First, and Fourth grades.

As a mother of two, I know how exciting and important these early years are. I believe in teaching to each child's learning style and love to see the progress made in first grade from learning to tie shoes to reading entire books!

I love teaching at St. Bernadette and I love going to work each day. My faith, family, and love of teaching are the three biggest aspects of my life and it is a great opportunity to be able to combine all three.
